Months of the Year

Tune: Twinkle, Twinkle Little Star

January, January, what do you see?
I see snowflakes falling on me.

February, February, what do you see?
I see valentines coming to me.

March, March, what do you see?
I see shamrock coming to me.

April, April, what do you see?
I see raindrops falling on me.

May, May, what do you see?
I see spring flowers looking at me.

June, June, what do you see?
I see ants crawling on me.

July, July, what do you see?
I see fireworks popping for me.

August, August, what do you see?
I see the hot sun shining on me.

September, September, what do you see?
I see the school bus waiting for me.

October, October, what do you see?
I see a jack-o-lantern smiling at me.

November, November, what do you see?
I see a turkey running from me.

December, December, what do you see?
I see a snow covered pine tree standing majestically.
